1. INTRODUCTION

The internship was completed at Codec Technologies Pvt. Ltd. under the designation UI/UX Designer Intern. The offer letter describes the program as a two-month internship designed to provide immersive experience, industry-level knowledge and valuable skills. The internship was conducted in hybrid mode.

2. ORGANIZATION & INTERNSHIP OVERVIEW

Codec Technologies Pvt. Ltd. is described in the offer letter as a global platform dedicated to empowering learners and connecting diverse talent to create career opportunities. The document states that the organization delivers IT and business consultancy services across 27+ countries.

Particular	Details
Organization	Codec Technologies Pvt. Ltd.
Designation	UI/UX Designer Intern
Duration	03/07/2026 to 03/09/2026
Mode	Pan India, Hybrid
Reporting	Assigned Project Head(s)
Program	2 Month AICTE & ICAC Approved internship program

3. INTERNSHIP OBJECTIVES

The stated purpose of the program was to provide an immersive experience, industry-level knowledge and valuable skills. Assigned projects and training tasks were part of the internship activities.

4. ROLE & RESPONSIBILITIES

The assigned role was **UI/UX Designer Intern**. The offer letter specifies that interns were expected to complete assigned projects and training tasks on the organization's platform and through email. The supplied documents do not specify individual project names, software used, screens designed, or detailed deliverables; therefore these details are not added as factual claims.

5. WORK & TRAINING EXPOSURE

The internship included project-oriented and training-oriented activities. The available documents support the following broad areas of exposure: assigned project work, training tasks, communication through the organization's platform/email, and supervisor-based performance reviews.

6. LEARNING OUTCOMES

The program was intended to develop industry-level knowledge and valuable skills. From the role and program structure, the internship provided professional exposure to a UI/UX-oriented working environment. Specific technical tools or methodologies are not identified in the supplied documents.

7. PERFORMANCE EVALUATION

The offer letter states that weekly performance reviews were conducted by the project supervisor. It also states that exceptional interns could qualify for a scholarship award based on weekly performance reviews.

8. INTERNSHIP COMPLETION

The internship certificate confirms that Ramjee Kumar completed the 2 Month AICTE & ICAC Approved internship program as UI/UX Designer Intern, conducted from 03/07/2026 to 03/09/2026.

9. CONCLUSION

The internship provided a structured professional learning experience in UI/UX design. It included assigned projects and training tasks and offered exposure to industry-oriented learning. The completion certificate formally recognizes the completion of the internship program.
